PETITION FOR RULEMAKING

OARA, Inc. ("OARA"), by its attorney, hereby requests that the Commission institute a rulemaking proceeding for the purpose of allotting FM Channel 274A to Winona, Texas, as Winona's first FM service. OARA proposes to amend Section 73.202(b) of the Commission's Rules, FM Table of Allotments as follows:

Channel No.

<u>City</u>	<u>Present</u>	<u>Proposed</u>
Winona, Texas	—	274A

No change in existing allotments is requested.

1. If the requested allotment is made, OARA will apply for a construction permit for a new FM station on Channel 274A at Winona, Texas. If OARA is granted a construction permit, it will promptly construct a new FM station to serve Winona, Texas.

2. As demonstrated in the attached engineering exhibit, the allotment of Channel 274A to Winona, Texas, can be accomplished in compliance with all minimum mileage separation requirements from OARA's reference site and from a large area surrounding Winona.

3. The City of Winona, Texas, is an incorporated city listed in the 1990 U.S. Census. It has its own post office and zip code (75792). The city is governed by its own mayor and city council. City services include a fire department, a city-owned utilities division providing water and gas, and an emergency 911 service. The city has its own school district, the Winona Independent School District, serving grades K-12.

4. Winona has a Chamber of Commerce which oversees economic development. The city has numerous retail establishments (including restaurants, grocery stores, gasoline/service stations, antiques stores, and hardware stores), service businesses, and commercial/industrial establishments. Winona residents worship at three churches located in Winona.

5. Allotment of Channel 274A will provide Winona with its first aural service and an essential outlet for local expression. Accordingly, the allotment will serve the public interest.

WHEREFORE, for the foregoing reasons, the Commission should initiate a rulemaking proceeding to amend Section 73.202(b) of its rules to allot FM Channel 274A to Winona, Texas.

Respectfully submitted,

OARA, INC.
